Bonsall High School is committed to providing a safe environment for students which includes within the parking lot. We expect that all student drivers possess a valid driver's license, current vehicle registration, and valid insurance before parking on campus. To ensure this is followed, parking on campus at BHS is restricted to students who have a parking permit. Permits must be visible from the inside of the front window on the driver's side at all times while parked on campus.

To obtain a permit you must provide this sheet initialed and signed by both parent and student to the front office, and present a driver's license, car registration, and valid insurance (per California State Law).

Parking Regulations	Parent Initial	Student Initial
